

# PXC 150-I Inseat NoiseGard™

## OEM Products | Products for Industry & Inflight Entertainment

### General Description

The PXC 150-I Inseat NoiseGard™ are the ideal aircraft's business or first class headphones. When used in conjunction with special audio jacks (Matsushita Spec. ASC-NA 1010) with integrated electronics for active noise compensation, these headphones offer noise reduction of up to approx. 17 dB. Due to their active and passive noise compensation, these lightweight headphones provide brilliant music enjoyment even in noisy environments. The ear pads can easily be exchanged and suitable hygiene pads are available as accessories.

### Technical Data

Frequency response .....	15 – 21,000 Hz
Isolation .....	up to 24 dB
NoiseGard active noise reduction .....	≤ 17 dB (270 Hz)
Transducer principle .....	dynamic
Construction.....	closed
Nominal impedance.....	300 Ω
Sound pressure level (1 kHz, 1 V <sub>rms</sub> ) .....	104 dB
THD .....	< 0,2%
Ear coupling.....	supra-aural
Weight (without cable) .....	appx. 65 g (2.29 oz)
Connector	
PXC 150-I D1 .....	Right-angled double jack plug, 1 x 3.5 mm (1/8") and 1 x 2.5 mm (3/32"), version D1 (ARINC Type)
PXC 150-I D2 .....	Right-angled double jack plug, 2 x 3.5 mm (1/8") version D2 (ARINC Type)
Cable .....	1.85 m (6.07 ft) OFC copper cable, dual-sided

### Features

- Closed, supra-aural mini headphones with NoiseGard™ active noise compensation when used in conjunction with special audio jacks (Matsushita Spec. ASC-NA 1010)
- Ideal for use in aircraft
- Ultra-lightweight design and extra soft ear pads
- High-resolution sound due to Sennheiser „Duofol” diaphragms with spiral embossing
- Bass tube for crisp, powerful bass
- Ear cups to be turned by 90° and fold flat for space-saving transportation and storage
- Small dimensions

### Recommended Accessories

- HZH 200 Hygiene pads (50 pieces) Cat. No. 500581

### Product Variants

- PXC 150-I D2 Cat. No. 500781
- PXC 150-I D1 Cat. No. 500790
